One mark. Three appearances.

R4 / Fork + knife conversation / requested by the owner on 18 October 2026.

Default

Dark

Transparent background / gray mark

Tint source

Fork and kitchen knife share a centered footprint inside the original conversation bubble.

Default and dark files are opaque full-bleed squares. The tinted source intentionally retains alpha.

No type, gradients, embedded fonts, third-party graphics or baked corner masks.

Xcode/device appearance checks remain pending: this repository has no app target yet.
